

Pre-K/ESL Board Report- October 2026

Busy Busy Busy.....

Field Trip

Our first field trip of the year was an absolute success. We went to the STL Zoo on Friday, October 2nd. The weather was great and the kids (and parents) had a blast!

Family Engagement

We are ready for Parent/Teacher conferences. We have all of our families signed up to come in and meet with us to discuss their child(ren)'s progress.

We are working to lock down a date for our annual Gingerbread Night...stay tuned!

Screening

I am still doing screening as parents call and request. We still have some open spots in the PM classes.

State Visit

The compliance visit is underway. Our visitor from ISBE came for a half day on Monday, October 19th, but she is going to be returning sometime before the end of next week to finish up. She has observed in one classroom, pulled student records and health files, but she will still need to look through my compliance binder, observe in the other classroom, do her "interview" with me and pull additional files and health records.

EUNA

I am still fumbling my way through learning this new reporting system with IDEC. I have reached out to my principal consultant and she says that she is still learning too so she apologizes for not being much help! I just have to keep watching webinars as they release them with additional guidance on expenditure reporting, etc.

ESL

I had to add another section of ESL to accommodate the amount of kids I am working with in 3rd and 4th grade.

My hours working with ESL kids are:

1st/2nd grade: 8:05-8:40am

4th grade: 11:25-12:00pm

3rd grade: 1:30-2:05pm
