Athletics/Activities Report
Board Report
October 2026

Napi Athletics

Cross Country and Flag Football have ended.
Volleyball started on Oct. 19th and we have 6 teams.
Volleyball numbers are around 50 participants but a better number will be in on Thursday, Oct. 22nd.

Middle School Athletics

We have started Basketball on 2 dates competing with INFR and other major events going on. Oct. 7th was our first start date and we started again on Oct. 12th.
Our Middle School Athletic Coordinator resigned and we hired another on Oct. 15th.
Numbers are very low for the girls. In order to fulfill our schedule, we needed to move girls up because 8th graders had enough participants for 1 team and 6th grade had enough participants for only 1 team.
The solution is to move up half the 7th graders to 8th grade participation.
We will also move up all the 6th graders to fill in the other 7th grade team.
This solution to fill these teams and fulfill our schedule is in the best interest of our students, ensuring they continue to have opportunities to compete against the 1B schools and make a schedule.

MS Numbers: (Girls includes all grades together)

Boys Basketball	**Girls Basketball**
8th - 16	47 all together
7th - 20	
6th - 21	
All together- 57	

High School Athletics

Fall Sports are wrapping up their seasons. Soccer and Golf have finished. Cheer, Football & XC will finish on the weekend of October 23-24, 2026.
Football: 45 student athletes
Volleyball: 32 student athletes
Cross Country: 40
Golf: 10 boys & 4 girls

Cheer: 28
Soccer: 19 boys & 16 girls

All athletes have represented Browning very well showing their passion, while striving for excellence, and doing so with poise.

Student Activities

EEkahkimaht has not started for the fall due to us being busy with sports in the fall.

6 sports including Middle School with 2 and Napi with 2

Middle School Basketball started and we will be doing boys and girls basketball at the same time. This requires both gyms, middle school and BES, to be utilized for practices.

It's strongly advised to postpone Eekahkimaht until we find another Activities Coordinator.

The solution to fix the Eekahkimaht issue is to continue with Eekahkimaht but do it in times when the gym will be available.
