

Nippersink District 2
Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum:

Land of Smiles - Our Kindergarten through 3rd-grade students enjoyed a visit from Land of Smiles, where they learned about the importance of brushing, caring for their teeth, and maintaining healthy smiles!

Our presenters were so impressed by our students' excellent attention, respectful behavior, and fabulous audience participation. Way to go Rams, for being such wonderful listeners and participants!

Celebrations:

RGS students have been out and engaged with the community! Kindergarten visited Stade's, 1st Grade visited the Richmond Library and Valley Visitor Center, 2nd grade and 4th Grade have visited All Seasons Orchard, 3rd Grade went on a walking tour of historic downtown, and 5th Grade went to the McHenry County Conservation District. We'd like to thank our students for being respectful and responsible guests, our staff for organizing these trips and our parent volunteers for sharing their time and excitement with our students on these adventures.
