

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum, Instruction, Program

On October 6, 7, and 8, grade-level team meetings were held to review student progress and determine appropriate intervention placements for the second quarter. Staff reviewed IXL data, including fall diagnostic results and academic growth, along with classroom grades and teacher input to identify students who would benefit from additional academic support. This process ensured that intervention decisions were informed by multiple sources of data and aligned with individual student needs.

We have continued to develop our Skill Recovery intervention, with content leaders building Edmentum courses aligned with first quarter learning progressions. At the midterm, Mrs. Walter and I met individually with every student currently failing a course to review their Schoology gradebooks. Additionally, warning letters have been sent home to parents of students at risk of failing a first quarter class.

School Celebrations

Fall IXL Diagnostic Data:

- Strong Overall Reading Proficiency:
 - 61.8% of students (222 students) scored on or above grade level in ELA.
 - Nearly 40% (143 students) are in the 80th percentile or higher.

- 100% Success in Advanced ELA:
 - Every student enrolled in Advanced Language Arts courses (99 students) met or exceeded grade-level expectations, with 92.9% (92 students) performing above grade level.
- Growth in Accelerated Math Pathways:
 - 71.6% of students in accelerated math courses (Pre-Algebra, Algebra, Geometry, and Advanced Math) achieved on- or above-grade-level mastery, with top performers across both subjects reaching the 99th percentile.
