Community Education Board Report - October 2026

Networking and Process Development
Attended Community & Leadership Training

Met with Hallett Trustees

Worked with Mr. Furst to streamline activity and athletics registration for homeschool families, with an emphasis on clear instructions, consistent procedures and efficient support.

Attended the CLEF Program Highlight Luncheon

Attended the three-day Minnesota Community Education Association Conference in Rochester.
Sessions focused on practical tools for marketing, community engagement and program development, including: High-Impact, Low-Stress Marketing, The Neighbor Effect: Building Community Through Digital Platforms, Demystifying Executive Presence, Small/Medium Community Education Director Breakout: Connect, Collaborate & Grow, Art as a Tool for Connection: Adult Programming, Smarter Systems, Stronger Programs, Youth Voice and Leadership: Creating Space for Young People to Lead, Stop Starting from Scratch: The Power of Templates

Facility Use
Met with Mr. Twigg and Ranger Youth Sports to develop a shared vision for facility use.

Discussions focused on establishing clear procedures and checklists, defining responsibilities and improving coordination with custodial staff.

Worked with Digital Horizons and Mr. Rosier to troubleshoot the auditorium lighting outage.

Hosted the Cuyuna Lakes Chamber Candidate Forum and provided livestreaming.

Programming and Classes
Held conversations with prospective instructors about classes in foraging, music theory, wilderness afterschool program, soap making and sourdough baking.

Storybook Theatre's *Robin Hood*, October 26–31. An additional workshop will be offered to accommodate the early-release schedule. Telegrams will be available for purchase as a fundraiser.
