Legislation Goals

Minnesota Statute 120B.11

Each district, in the state of Minnesota, is responsible for providing a plan to increase student achievement, which addresses five goals:

- All children are ready for school.
- All racial and economic achievement gaps between students are closed.
- All students are ready for career and college.
- All students graduate from high school.
- All students are prepared to be lifelong learners.

CACR Plan

- Goals and benchmarks for student achievement
- Process for evaluating student progress toward meeting academic standards
- System to review and evaluate effectiveness of instruction and curriculum
- Strategies to improve instruction, curriculum and student achievement
- Practices that integrate high-quality instruction, rigorous curriculum, technology and collaborative professional culture that supports teacher quality, performance and effectiveness
