Cameron Elementary School
Principal's School Board Report
October 26, 2026

October 8 - A joint meeting between the Cameron School District and the Barron County Department of Health and Human services. We discuss students and/or student families to see what kind of services they may need.

October 12 - Cameron Elementary School evacuation drill. Our evacuation summary will be shared during the October school board meeting.

October 13/15 - The Cameron Elementary PTO hosted their annual Breakfast With A Buddy. Students have the opportunity to have breakfast at the elementary school with someone special during this event. I would like to thank the Cameron PTO, along with other staff members that helped. We served over 450 total students and buddies.

October 14 - We held an all district meeting for our 4:30 Day meeting. Mr. Meznarich and Mr. Getchell went over district AI programming and ways that staff can use it.

October 16-20 - Northlakes Dental Clinic worked with specific students in grades K-4. During this visit students are having sealants provided.

October 19 - Culvers Family Night - Culvers of Rice Lake sponsored a Cameron Elementary PTO Family Night. Thank you to our Cameron community for always supporting our school. It was a fantastic turnout.

October 21 - Cameron Elementary School had an inservice day. We spent some of that time looking at our current math programming and starting to set the process of determining if this programming is best for our students. Our current contract with Math Expressions ends after the 2027-2028 school year.

October 22 - District-Wide parent teacher conferences. The turnout was great. More numbers will be shared at the November school board meeting.

Upcoming Events

- October 30 Halloween Celebration
