Superintendent Report October - 2026

## Facilities:

No Update from PUD #3 on the new power line installation.
Metal Shop Roof. Holtzlander was on site on October 11th and installed the initial metal prep to the roof surface. They were back on site on October 16, but were unable to apply the final roof coaching. They are scheduled to be back on site sometime the week of the 26th.

Clean Buildings Act/Energy Audit**:** I met with Moe Salem from ATS. ATS previously assisted us with the secondary window replacement and LED lighting projects. ATS will be assisting us with completing an ASHRAE Level 2 Energy Audit and the associated compliance reporting required by the Washington State Clean Buildings Performance Standard. Mary M Knight Secondary School is designated a Tier 2 building based on the square footage of the site.

We are looking at submitting another Small School Modernization Grant application when the next funding cycle opens. We are also exploring the possibility of applying for a Department of Commerce solar energy grant.

We had a site inspection by the Mason County Fire Marshal on Oct 21. We have some corrections on this report. We need to post evacuation routes inside each classroom, install two fire extinguish in the gym, provide an inspection tag for the fire suppression in the kitchen, which we are in process of completing. The items we will need to use our vendor Red Sky is to install one smoke detectors or heat risers in one areas of the site. We have until December 16th. Exterior Kitchen Freezer unit compressor finally failed on October 20th. We have a quote to replace that item. Matlock Community Church help us by storing our frozen food until our freezer is repaired.

## Athletics:

Middle School Volleyball and MS Flag football seasons ended the week of October 19th. Both groups had really good seasons. HS Volleyball had their last regular season away game on the 22nd and HS Football has Homecoming game on Saturday, October 24 and their last regular season game on Thursday, October 29th at home.

Equal Opportunity Employer-Mary M Knight School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employee(s) has been designated to handle questions and complaints of alleged discrimination: Civil Rights Compliance Coordinator Matt Mallery, Superintendent, mmallery@mmk.wednet.edu, Section 504/ADA Coordinator, Josh Stoney, Principal, jstoney@mmk.wednet.edu, Title IX Coordinator Laurie Seymour, Business Manager, lseymour@mmk.wednet.edu. Each individual can be reached at 360-426-6767

## Student Activities:

Homecoming and Student Dress up days along with the homecoming dance was the week of Oct 19-24. Mrs. Cole took HS students to the Try-a-Trade event sponsored by ESD 113 at the Satsop Business Park on Oct. 1st. We have had weekly student recognition "Grit" awards as well as Student of the Month recognition.
Harvest Dinner was on October 3rd. The Senior Fall Trip was October 9th.

## Highly Capable Program Update:

I have attached a copy of the Highly Capable Program (HiCap) that was approved by the Board in January 2026. Annually, the HiCap plan is submitted to the board for approval pursuant to WAC 392-170-025. In the Spring of 2026, there were 48 Students identified and recommended for Hi Cap Screening. Of those 48, some parents opted out of the screening process. There were 10 students who were fully assessed/tested for HiCap per the identification process and screening process pursuant to the MMK Program requirement. We currently have 3 students who have met the qualification and are currently being served in HiCap for the 2026-27 school year. We had no newly enrolled students for the 2026-27 school year who were identified being served under HiCap. OSPI will be sending our guidance to school districts in November 2026 regarding submitting the current year HiCap plan and will include any changes or modification to HiCap in that bulletin. In January-February 2027, the Highly Capable plan will be submitted to the board for approval. The 2027-28 plan will reflect any changes or revisions to RCW's or WAC's for Highly Capable Plan qualification based on OSPI guidance. Once approved by the board, the applications, recommendations, and screening process for HiCap 2026-27 will commence in Spring of 2027.

Based on the OSPI data, approximately 1% of students qualify for HiCap services via the screening process. Currently MMK has 1.8% of all students being served under Highly Capable Program for the 2026-27 school year.

## Superintendents Activities:

Attending Football/Flag Football and Home Volleyball games
Harvest Dinner
Vendor Meeting
Fire Marshal Inspection
ESD Special Education Co-Op virtual meeting
ESD 113 Regional Superintendent meeting on October 28
Rural Education Meetings-Virtually on Mondays
