TERMS & CONDITIONS

Governing Terms

The applicable Schedule(s) for the Products and/or Professional Services identified herein are hereby incorporated by reference and available at https://legal.evolvtechnology.com/customers and may contain additional disclaimers.

Evolv Technology is required to collect sales and/or use taxes on your purchases unless provided with a current and valid resale/exemption certificate(s) for the state(s) that your company's purchases are shipped. Please send certificates to: ExemptionCertificates@evolvtechnology.com

Shipping
To the extent applicable, Products will be delivered to a mutually agreed upon location, FCA Seller's Facility (Incoterms 2020). Applicable Products will be delivered on a mutually agreed date. If shipping is not included in this Order Document, it will be invoiced upon shipment.

Quote Comments
Pursuant to Order Document(s) Q-02237 (collectively “Prior Quote(s)”), Customer previously purchased certain Gen 1 units of Evolv’s hardware product (“Gen 1 Units”). The parties now agree that 3 of the Gen 1 Units shall be exchanged for equal number of Gen 2 units of the same product line (“Gen 2 Units”). Accordingly, this Order Document supersedes and terminates the Prior Quote(s) solely with respect to the exchanged Gen 1 Units and shall govern the subscription to the corresponding Gen 2 Units. In the event that Customer pre-paid fees for the subscription to the Gen 1 Units, Customer shall receive a prorated credit for the returned Gen 1 Units based on the remainder of the subscription term under the Prior Quote(s) (“Credit”), which Evolv shall apply as a set-off against the fees due under this Order Document. Customer shall prepare the Gen 1 Units for return shipment to Evolv, and Evolv shall bear the associated shipping cost. For avoidance of doubt the Customer is exchanging Gen 1 Unit(s) with the following serial number(s): EXPR02725 EXPR02726 EXPR02727
