BB 9230 ORIENTATION

The School Board invites all School Board candidates to attend public School Board meetings during the period of their candidacy so that insofar as possible, new members will be prepared to discuss and cast informed votes on matters before the School Board from the time they are sworn into office.

The Superintendent or designee shall cooperate impartially with all candidates in providing them with information about School District activities and school programs.

The School Board and the Superintendent or designee shall help each newly elected member to understand the School Board's commitment to Board standards, district operations and the School Board's functions, policies and procedures as soon after election as possible. Incoming members are encouraged to read the School Board's policies and informational materials on the function of the School Board and the school District ~~system~~, to visit school facilities, and to meet with the Superintendent or designee and School Board president, as needed to become oriented to School Board service.

The incoming member may attend, at their own, personal expense, workshops for newly elected members, including such workshops conducted by the Association of Alaska School Boards. Alternatively, incoming members may attend virtual workshops conducted by AASB.

All Board members shall engage in the required ethics and budgeting training provided by the Department of Education and Early Development as set forth in AS 14.08.041 or AS 14.12.045, as applicable.
