Consent Agenda Item # 2026-10-C5

October 30, 2026

SUBJECT:
Consideration of Approval of an Interlocal Agreement with Collin County, Texas for Jail Services

RECOMMENDATION:
The District President recommends approval of the Interlocal Agreement with Collin County for jail services on behalf of the Collin College Police Department.

RATIONALE:
Collin County operates the Collin County Detention Facility for persons accused or convicted of violating state law. The County detention facility is also available to law enforcement agencies in the county who do not have detention facilities within their jurisdiction.

The Collin College Police Department employs commissioned peace officers who have arrest powers equal to municipal officers in surrounding cities. On occasion, Collin College police officers may effect arrests that necessitate a detainee, who is considered to be a danger to themselves or others, be held in a secure facility. Adoption of this Interlocal Agreement for jail services will allow Collin College police officers to place such a detainee in the Collin County jail.

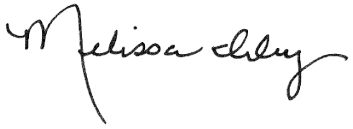

This interlocal contract will retroactively begin on October 1, 2026 and continue through September 30, 2027.

BUDGETARY CONSIDERATION:
The District will pay the County $171.18 per day, or part of a day, per inmate. This is budgeted in the Police Department's FY27 operating budget, subject to Board approval.
