ADMINISTRATION RECOMMENDATION/REPORT

The District President recommends the Board of Trustees approves the addition of Clifford Power Systems, Inc. for the purchase of electrical energy power generation equipment.

BACKGROUND

Cummins Southern Plains LLC and Clifford Power Systems, Inc provide equipment, parts, supplies, and related services for the Facilities Department to support the District's electrical energy power generation systems and help maintain compliance with applicable Life Safety Code and NFPA 110 requirements.

Reference Number SCON-101585 was issued to track the contract spend for electrical energy power generation equipment. Cummins Southern Plains LLC has a contract through the Sourcewell cooperative contracts program to provide electrical energy power generation equipment, Contract Number 092222-CMM. Clifford Power Systems, Inc. has a contract through the Interlocal Purchasing System (TIPS) cooperative contracts program to provide commissioning and testing for facility systems, Contract Number 251004. The contracts comply with the competitive procurement requirements outlined in Section 44.031 of the Texas Education Code, as permitted under Section 791.011 of the Texas Government Code.

IMPACT OF THIS ACTION

Approval of adding an additional vendor to the contract will expand the District's pool of qualified electrical energy power generation equipment providers.

BUDGET INFORMATION

- Board Approved Authorization: $150,000
- Additional Authorization Request: $0
- Funding Source: Facilities Department's FY27 operating budget
- Current Contract Spend: $20,232

MONITORING AND REPORTING TIMELINE
