PUBLIC HEARING ON THE 2025-26 SCHOOL FIRST RATING

Hearing:

The School First Ratings were recently released by TEA. One of four ratings may be applied to each district: 1) Superior, 2) Above Standard, 3) Meets Standard, and 4) Substandard.

Once again this year, Jefferson ISD has been given the "Superior" rating from the state regarding the State's Financial Integrity Rating, which is designed to assess the financial efficiency and effectiveness of each district across the state through an evaluation/consideration of twenty (20) different criteria. JISD actually had a perfect score of 100. This agenda item should allow for public comment and discussion regarding the JISD School FIRST rating.

(Allow for public comment).

Rebecca Pearl, Business Manager, is here to help explain the School First rating in more detail and answer questions, as appropriate.
