United Independent School District is a public school district and is a political subdivision of the State of Texas. The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501 (c)(3). However, the District is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1).

The District may receive charitable contributions if they are for public purposes, such as benefiting a group and **NOT** an individual. Contributions may be made to the District, District schools, District departments, or various District groups and clubs. These charitable contributions are deductible by the contributor on their tax return. The federal identification number of United Independent School District is 746028859.

Please note, contributions made to various parent organizations, such as PTO's and Booster Clubs, are **NOT** contributions to the District. Since these organizations are separate entities from the District, the District's tax-exempt status does not apply to these organizations. These organizations must apply for their tax-exempt status under IRS Code Section 501(c)(3). Evidence of their tax-exempt status would be a Determination Letter from the IRS. When a PTO or Booster Club donates monetary or non-monetary items to the District, then the donation is considered a contribution to the District.

We are incredibly grateful for your kindness and investment in the growth and development of our students. Trautmann Middle School

It gives us great pleasure to donate \$1000 to Trautmann Middle School (Esports/Gaming Club)

We hope this contribution helps provide a great start to the Esports program with initial monitors, gaming devices or consoles. We believe this club will help enhance student engagement, teamwork, and offer a fresh extracurricular option, attracting students not typically interested in traditional activities.

We believe that Esports can help build participants' confidence and benefit in a wide range of academic and interpersonal skills. It supports engagement of uninvolved students and fosters inclusivity.

In an era that is athletic-driven, being able to provide all children an opportunity to be accomplished is empowering.

Sincerely,

Dr Daniel & Lisa Bell

It is the policy of United ISD not to discriminate on a basis of race, color, national origin, sex or handicap in its programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendment of 1972; and section 504 of the Rehabilitation Act of 1973, as amended.

Hello Mr. Medina,

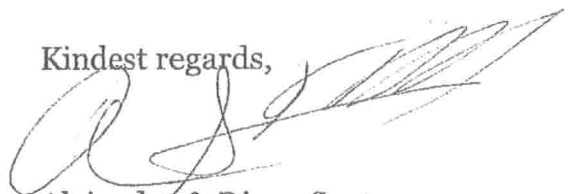

I hope this letter finds you well. It has been a year since we last reached out to express our deep appreciation for the incredible work you do in shaping the minds and futures of the students fortunate enough to be part of your Robotics Club.

This time, we write not on behalf of Old Country BBQ Pits, but as Alejandro and Diana Santos, the parents of Alejandra Santos. Often, extraordinary people who accomplish remarkable things don't fully realize how challenging and unique their work truly is. You are one of those exceptional individuals, and Alejandra was incredibly fortunate to have met you and to have been part of your Robotics Club.

Your club provided a home not only for Alejandra but for so many other young students at Alexander. Under your guidance, they formed lasting friendships, discovered their own potential, and found the inspiration to set and achieve courageous goals. As Alejandra's parents, it's important to us that you know the lasting, positive impact your work will have on her life. The time she spent in your Robotics Club will forever shape her future in meaningful ways—not only hers but the lives of all who have joined and will join your Robotics Club.

Thank you, from the bottom of our hearts, for everything you have done for our family and for the families of countless students. Although we know that this contribution cannot fully reflect our gratitude, please accept this \$1,500 donation to support you in continuing this journey.

Kindest regards,

Alejandro & Diana Santos

Dear Board of Trustees,

On behalf of the students and staff of Freedom Elementary, I want to extend our deepest gratitude to two of our parents here at Freedom. Mr. Agustin Aguirre and Mrs. Cristal Jaime from Lanuza Construction with their generous donation of a combined amount of \$980 dollars to our GT Club. Their support means so much to us and will have a direct impact on the success of our upcoming trip to the LBJ Presidential Library in Austin, Texas.

Thanks to this contribution, our students will have the opportunity to experience history firsthand and expand their knowledge in ways that will inspire and enrich their education. The funds they've provided will go a long way in covering travel expenses, allowing students to participate in this invaluable learning experience.

We are truly grateful for your commitment to our students and to fostering educational growth. Your generosity helps make these important learning opportunities a reality for our students.

Once again, we thank our parents for their generosity, kindness and support. They are making a lasting difference in the lives of our students.

Warmest regards,

Stephanie Silva- Garcia, Proud Principal
Freedom Elementary
