TEA Intrusion Audit Findings

Jeff McGinnis

Director of Safety and Technology

TEA Intrusion Audits

- Annual Audit of each Instructional campus
  - Exterior Door Security
  - Access Control & Visitor Screening
  - Classroom Door Compliance
- No Deficiencies - 2025 & 2026

High School Intrusion Audit Finding

- Oct, 2026 - High School
- Exterior door - closed but unlocked
  - Safety specialist was able to get locked with auditor present
  - Erratic behavior, hadn't been documented before on this door (12 this year)

High School Intrusion Audit Next Steps

- Provided mandatory live training for high school staff on the importance of keeping doors locked and how to check them when leaving (10/30)
- Plan of action moving forward.
  - Increase internal door audits.
  - Schedule preventative maintenance.
  - Submit reports of deficient doors through FMX.
- Discussed findings and plan of action with the Safety Committee (11/2)
- Discuss findings and plan of action to the School Board.
