Livermore, CA 94550-4382

Dear Ms. Mumford:

On behalf of the United Township High School band program, I would like to thank you for your recent generous donation of $5,000.00. We are glad to know your experience in the band program was so meaningful and beneficial while you were a student here, where you finished your high school career as third chair flute. Under Mr. McIntosh's direction, the band had unique opportunities to perform special shows, and the 1964-1965 school year brought significant growth in the number of underclassmen wanting to join.

Each summer, the next generation of marching band students attends the Western Illinois University Legacy of Leadership marching band camp. Donations such as yours will help develop those leadership skills so those students can also experience the same passion, teamwork, and pride you did during your education.

We are truly grateful for your continued support of our musicians. We hope the recording provided of the band's performance brings back the memories you cherish and expresses the wonderful talent being formed in our band students. Once a Panther, Always a Panther!

With warm regards for your generosity,

Dr. Jay Morrow
Superintendent
