Rob Lake
Asst. Dir. Secondary Education

MEMORANDUM

TO: Weber District Board of Education and Superintendent Gina Butters

FROM: Rob Lake

DATE: October 26, 2026

SUBJECT: 2027-2028 School Calendar

The WSD Calendar Committee met and decided on a couple possible options for the 2027-2028 school year. School Administration, district administration, parents, PTSA, WEA, classified employees and teachers were included and allowed to give input at that meeting.

Those calendar options were sent to the schools and employee groups to allow them to obtain input on the local level. We had principals send out the two options for the proposed calendar and 100% of the schools reported that the majority voted for calendar option #1.

Based on that input, the committee would like to recommend to the Board the 2027-2028 calendar Option #1 for final approval on a second reading.

Professionally,

Rob Lake
Asst. Dir. of Secondary Education
