Terrell Independent School District
Executive Summary Report

Date	District Guiding Pillar	
November 16, 2026	**Goal 4**: Organizational Efficiency: Develop a resource allocation plan and long-term facilities plan that supports and maintains the financial stability of the district, is aligned with identified priorities, addresses future growth and facility improvement needs, and represents being good stewards of taxpayer funds.	

Agenda Item: Consider Approval of Region 10 Education Service Center Multi-Region Purchasing Cooperative (R10MRPC)

Summary:

Terrell ISD currently has active memberships in numerous purchasing cooperatives. The Region 10 ESC Multi-Region Purchasing Cooperative (R10MRPC) is utilizing an annual, single-year Interlocal Agreement and requires approval by the Board of Trustees.

The R10MRPC allows Terrell ISD to utilize School Nutrition contracts for products and services. Studies have shown that schools participating in a child nutrition purchasing cooperative receive better pricing and higher selection of products with higher fill rates.

There is no cost or annual membership fee for the district. However, there is a vendor participation fee collected directly from the awarded commercial-only vendors.
