Required Public Comment Opportunity for the 2026-2027 School Improvement Plans

Goose Creek CISD is providing opportunities for public comments regarding the proposed 2026–2027 campus Turnaround Plans and Targeted Improvement Plans

Comments will be open for the Proposed 2026–2027

Turnaround Plans for:

De Zavala Elementary

Highlands Elementary

Comments will be open for the Proposed 2026–2027

Targeted Improvement Plans for:

Baytown Junior

Harlem Elementary

Horace Mann Junior

Students, parents, teachers, school personnel, community, and business members are invited to participate in the required public comment opportunity to express their opinion regarding the design, planning, and implementation of the identified School Improvement Plans that have are being developed to improve student performance, outline instructional interventions, and establish rigorous progress monitoring systems.

The public comment opportunities are provided in various ways:

- Campus communication through campus events and Parent Square
- District public comment website links for each campus plan
- GCCISD Board Meeting - Monday, November 2, 2026

The district website links to review each campus improvement plan and complete the comment reflection opportunity are indicated below:

De Zavala Elementary

Harlem Elementary

Highlands Elementary

Baytown Junior

Horace Mann Junior

For questions or additional information regarding the improvement plans, please contact Dr. Montemayor, GCCISD DCSI.
