Prescott Mile High Middle School

300 South Granite Street, Prescott, AZ 86303
(928) 717-3241

To: Prescott Unified School District Board

Prescott Mile High Middle School is planning to participate in a dynamic, hands-on, civic education program for students in Washington, D.C.! As educators, we are always looking for new and interesting ways to provide extra challenges and opportunities to enhance students' educational experiences. I strongly believe that this trip does just that, and will provide a learning experience of a lifetime!

We have chosen to plan this trip with our long-time partner, the educational travel company WorldStrides. WorldStrides has been creating educational travel experiences for over 50 years and we have been very pleased with the service and experience they have provided for our school and students in the past. WorldStrides arranges to bring our students to areas of our Nation's Capital that will include:

- Arlington National Cemetery
- Iwo Jima Memorial
- Pentagon Memorial
- Mt. Vernon
- Smithsonian Museums
- Lincoln and Jefferson Memorials
- The White House
- The National Archives
- The U.S. Capitol
- The Vietnam Memorial
- The Holocaust Museum
- And more!

This year we are thrilled to have 24 Mile High students and 3 parent chaperones signed up for the trip! They will be accompanied by several Mile High staff members and parent chaperones. Once the group arrives in Washington D.C,. a representative from WorldStrides will lead the tours and coordinate the daily itinerary. The trip is scheduled for May 31- June 4, 2027.

Alden Steyeart, 8th grade Social Studies, is our Program Leader and Ashley Tetreault, Principal, is our chaperone. More staff may be sponsored to chaperone as additional students register. Ms. Steyeart has already held several information meetings with parents and students and is finalizing the itinerary in coordination with WorldStrides.

Prescott Mile High is excited to be able to provide this opportunity for our students to experience this trip with their peers to gain a greater understanding of our Nation's rich historical and cultural heritage.

Sincerely,
Ashley Tetreault
Principal at Prescott Mile High Middle School
