	See Attached Program Calendar	

Additional Items and News:

Expansion: The parking lot has made it hard for folks to get in the building and that has shown up in our circulation numbers but the parking lot is scheduled to get blacktopped on Wednesday, October 28th. We are also going a little lighter on programming until the expansion is further along. We are also borrowing several extra book carts from the Rochester Public Library and the La Crosse Public Library to use as temporary shelving during construction.
