El Centro – Lakeshore & Southlake

Creating culturally affirming spaces that strengthen connection, belonging and student success.

INITIAL IMPLEMENTATION PERIOD | THROUGH SEPTEMBER 2026

Campus locations identified	Core planning team members	V102 identified as viable space	Current bookstore identified for future El Centro

- **Part of \$6 million** philanthropic gift:
- **Belonging:** A welcoming space where students and families feel seen and valued.
- **Cultural expression:** Art, gallery, and creative activities reflecting our communities.
- **Accessible support:** Easier connections to the Share Market and existing campus resources.
- **Student success:** Stronger campus relationships and fewer barriers to continuing college.

We envision El Centro as a place where students feel that Lakeshore belongs to them, where their cultures have a visible place, and where support is easier to reach.
