2026 OSBA Election Information - Multnomah Region

In even-numbered years, member boards take official action to elect regional representatives for odd-numbered positions on the OSBA Board of Directors and any positions that are currently vacant or were filled by appointment, and to vote on any resolutions brought before the membership.

- *The Multnomah region holds three position on the Board of Directors. Positions 17 and 19 are up for election.*
- *Candidate materials are posted on the OSBA Election Information page.*
- *There is one resolution being brought before the membership at this time. Resolution information is posted on the OSBA Election Information page.*
- *Member boards must take official action to vote.*
- *A quorum consists of a majority of members in good standing at the time ballots are due. For each ballot item, any returned ballot, including a blank ballot or abstention, counts toward establishing a quorum; however, blank ballots and abstentions do not count as either Yes or No votes.*
- *Please use this map to verify your region before proceeding. You may only vote in the region where your main administrative office is located. If you have a main administrative office in more than one region, you must choose one region and only vote in that one region. If multiple ballots are submitted from the same region, only the first submitted ballot will be counted.*
