Background Information:

In accordance with Texas Education Agency (TEA) requirements, campuses identified for state or federal interventions may be required to develop Targeted Improvement Plans (TIPs) and/or Turnaround Plans (TAPs). TIPs focus on targeted strategies to improve student outcomes, while TAPs outline more intensive actions for campuses with consecutive unacceptable ratings or prolonged Comprehensive Support and Improvement (CSI) identification.

Turnaround Plans will be presented to the Board of Trustees for approval, with a public hearing held as required by law. Pending Board approval, finalized plans will be submitted to TEA by November 20, 2026.

Fiscal Implications:

Costs are campus-specific.

Administrative Recommendation:

Administration recommends that the Board of Trustees approve the 2026-2027 school year Targeted Improvement Plans and Turnaround Plans as submitted.

Motion Language:

I move that the Board approve the 2026-2027 Targeted Improvement Plans and Turnaround Plans as submitted.
