RE: FOIA Request dated July 9, 2025 - Received via email 7/10/25

Dear Mr. Johnson,

This written notice is in response to your request for information under the Freedom of Information Act (FOIA), MCL 15.231 et seq, received by the District on July 10, 2025.

Request: "...any and all data (Reading and Math) for benchmark assessments that you administer: NWEA; iReady; Smarter Balanced; STAR...for the years (2016-17 through 2024-25); By race; By grade level..."

Response: Your request is hereby **granted in part and denied in part**. Your request is denied to the extent the requested records contain identifiable student information. The District reserves the right to redact/remove this exempt information from the produced documents. Further, your requests are denied to the extent the District was unable to locate public records responsive to your requests.

Estimated Fees for Fulfillment: \$1804.72 - Due to the scope of the request, we estimate extensive time needed to locate, review, and redact records, as outlined in the attached good faith fee estimate. As the fee estimate exceeds \$50, we require a 50% deposit, \$902.36, prior to the request being filled. This deposit would be applied to the actual final cost for the FOIA. At this time, the request will be put on hold until we receive your deposit which is due within 48 days of this notice. If not received, your request will be considered abandoned and will not be fulfilled. As required by MCL 15.234(4), the District's FOIA Procedures and Guidelines and its written public summary can be found online at.
