Action Item

Date: November 9, 2026 **Division**: Schools

Subject: School Improvement Turnaround Plan (TAP) and Targeted Improvement Plan (TIP)

Background Information:

- The Texas Education Agency (TEA) requires each district to conduct a public hearing regarding campus Turnaround and Targeted Improvement plans. The public hearings were held on November 2, 2026.
- Southridge Elementary is required to create Turnaround Plans due to state accountability ratings.
- Rockbrook Elementary is required to create a Targeted Improvement Plan due to federal accountability.
- Huffines Middle School is required to create a Targeted Improvement Plan due to federal accountability.
- Additional information about each campuses turnaround plan is located at https://www.lisd.net/resources/families/school-improvement
- Staff presented initial information regarding these campus Turnaround Plan and Targeted Improvement Plans during the October 6th Board work session.
- Additional information regarding school improvement is located at: https://tea.texas.gov/student-assessment/monitoring-and-interventions/school-improvement

Recommendations:

- The Board approve the Turnaround Plan for Southridge Elementary presented by district and campus staff.
- The Board approve the Targeted Improvement Plan for Rockbrook Elementary presented by district and campus staff.
- The Board approve the Targeted Improvement Plan for Huffines Middle School presented by district and campus staff.

Timeline/Report:

- Once the Board has approved the Turnaround plans, staff will submit to TEA for approval by November 20, 2026.
- The Board will be notified when TEA approves the plans.
