RE: Permission to Purchase School Buses
DATE: April 20, 2016

Please request that the Board acknowledge and agree to purchase ten (10) school buses as identified on the Mississippi State Approved List of Buses. Truck Center has offered a price of \$86,350 per bus for a 2017 model 77 passenger bus with air condition. The total cost for all ten buses will be \$863,500.

The purchase order will only be sent after the Board gives permission to purchase, after the Superintendent determines that we are ready to buy, and after all documents are completed with the State Transportation Department.
