Subject: Student Learning Update

Background Information:

- Student learning updates are provided to the School Board throughout the year. This update will focus on School Board goals for 3rd grade reading, 3rd grade math, and College, Career, Military Readiness goals included in the District Improvement Plan.
- At the October 13, 2026 Board Meeting, the LISD School Board approved the campus and district goals Board goals. The approved district goals included:
  - By the end of the 2026-27 school year, 76.5% of all 3rd grade students will meet grade level on I-Ready Math or achieve goals set in IEPs in mathematics.
  - By the end of the 2026-27 school year, 78.5% of all 3rd grade students will meet grade level on I-Ready Reading or achieve goals set in IEPs in Reading.
  - By the end of the 2026-27 school year, 84.8% of all graduates will engage in CCMR related indicators.
- For 3rd Grade Reading measurement:
  - LISD administered I-Ready Reading to all 3rd grade students in September to monitor BOY reading levels and determine student instructional needs.
- For 3rd Grade Math measurement:
  - LISD administered I-Ready Math to all 3rd grade students in September to monitor BOY math levels and determine student instructional needs.
- For CCMR measurement:
  - High schools administered the SAT school day in October 2026 to all Seniors who signed up. LISD plans to provide an opportunity for Juniors and Seniors to take the ACT during the school day in the Spring of 2027. Students are also provided an opportunity to take the TSI upon completion of English 3 and Algebra 2.
  - District staff are meeting with campus principals to look at data on a regular basis.

Administrative Consideration:

- Staff will continue to monitor campus and district progress relating to the Board Goals and District Improvement Plan goals.
