Subject: Consider Approval of Tax Roll

Date: November 9, 2026

Tiffany Sayles, Howard County Tax Assessor, has completed the 2026 Tax Roll as of 10/8/26 and has provided the attached information. The differences as compared to the certified values are due to value adjustments, which could not be verified at the time the appraisal district certified the values in July.

Recommendation: I recommend that the Board approve the 2026 tax roll.
