Prairieview Elementary School
November 2026 Board Report

Goal One – Learning

As we wrap up our first trimester on November 6th, teachers and students have truly fallen into a productive daily routine of teaching and learning that supports student success, even with a shortened schedule. This was affirmed from the conversations that took place during our parent teacher conferences on October 7 & 8. Overall, we had 90% of our families participate in conferences and feedback from parents was very positive! Teachers continue to be creative and engaging with lessons and activities while our students continue to enjoy coming to school each day! Tremendous thanks to our teachers and staff for making the first trimester of our school year so positive despite the daily challenges!

Goal Two – Whole Student Development

Prairieview School continues to be a warm, welcoming place where students feel safe, supported, and ready to learn. We have had so much to celebrate! On Friday, October 23, Principal Pagel was slimed to recognize the efforts of our students and staff for the Team 66 Green and Gold Fun Run fundraiser earlier this year! We have also enjoyed several fun fall activities, including 5th grade Haunted Volume Village projects, our Halloween costume parade, and our classroom celebrations…Always a highlight! These events put smiles on the faces of our students and help build a strong sense of community! Now we look forward to our Veterans Day Assembly coming up on November 11, where PV students, staff, and families will come together to honor those who have served our country. One of our most powerful and memorable assemblies for the entire school year. So many reasons why… It's a perfect day to be a Prairieview Panther!

Goal Three – Environment

Our daily Morning Meetings continue to support student SEL needs while monthly PRIDE! Awards also go out in each grade level for students that shine in the areas of Positive attitude, Respect, Improvement, Determination, Empathy, and Everything ENCORE! Celebrating these critical personal characteristics provides an opportunity for any student to be recognized and honored! So much to celebrate!

November provides an opportunity for us to show gratitude to the many blessings in our lives…especially the people that fill our buckets and keep us going! Knowing how difficult the "business of school" can be, we will be reaching out to Prairieview families and inviting them to share *A Note of Gratitude* for the people/events/things that they are grateful for at Prairieview School. These will then be shared with our PV staff! Our hope is to bring a smile to our staff members and to remind us all that there is no higher calling than being an educator!
