BACKGROUND:
Nash Elementary was identified as a campus in need of Targeted Improvement in 2025. This is a two year designation and the campus was assigned a Region 10 Comprehensive Support Coordinator. By the end of the two year period, Nash must meet the thresholds in the Closing the Gaps domain and must not be in the bottom 5% for two years. Nash scored higher than the 2026 Domain 3 Accountability Cut Score. They met all of the benchmarks for this past year and will be dismissed from this designation if they maintain their progress in 2027. The TIP must be submitted by November 20, 2026 to TEA. The Targeted Improvement plan has been reviewed by the district and our Region 10 Comprehensive Support Coordinator.

O.P. Norman was identified as a campus in need of Additional Targeted Support and required to create a Local Improvement Plan. However, a Local Improvement Plan does not have to be addressed in a Public Hearing or submitted to TEA.
