November Updates

- **Jordan Middle School is presenting The Internet is Distract - Oh Look a Kitten!**
  - The Internet is Distract—OH LOOK A KITTEN! is a fast-paced comedy about a student named Micah who has only 45 minutes to finish a school paper. When she logs online to double-check a simple fact, she is immediately bombarded by an overwhelming wave of pop-ups, social media notifications, and addictive games. As these internet distractions literally come to life to steal her attention, the play hilariously satirizes how difficult it is to stay focused in the digital age.
  - Performances are November 20 and 21 - Friday evening's performance is at 7:00pm and Saturday afternoon's performance is at 2:00pm.
  - Tickets are $5 at the door.
- **Fall Athletics Updates**
  - Congratulations to our two state tennis participants, Kendall Johnson and Aubrey Wittkop, on an outstanding season! While they did not advance further in the state tournament, we are incredibly proud of their accomplishments and the way they represented Jordan.
  - Our cross-country athletes also had a fantastic season, with both teams competing hard and two individuals, Minka Hage and Jackson Waller, earning the opportunity to compete at the state meet!
  - We also congratulate our volleyball team on a great season that came to a close in section semi-final competition and our football team, which wrapped up its season in the section quarterfinals.
  - We are so proud of all of our student-athletes, coaches, and the dedication, sportsmanship, and school spirit they demonstrated throughout the fall season. Congratulations to everyone on a great season!
