Re: Approval of workers' compensation insurance renewal

Background Information

Our workers' compensation insurance plan is with Illinois Public Risk Fund (IPRF) and is carried on a calendar year basis.

Administrative Considerations

The 2027 renewal premium is as follows:

Illinois Public Risk Fund	$136,214
Liability Limit	$3,000,000

The quote from Illinois Public Risk Fund is an increase of $7,883 or 6.1% over last year. The 2026 and 2025 increases were 7.0% and 18.2% respectively. The increase is due to increased total payroll and ongoing claim activity.

This premium also includes a safety grant award in the amount of $8,188 to be used for the purchase of specified safety equipment. The amounts granted to the District in 2026 and 2025 were $4,758 and $3,834 respectively.

Options Considered

The District has held our worker's compensation insurance with IPRF for many years. They have handled our claims effectively and efficiently. They also provide us with the safety grant and quarterly safety update meetings.

Recommendation

We recommend the Board approve the District's workers' compensation insurance rate for 2027 with IPRF as presented.
