Dear Ms. Streff,

On behalf of Intermediate School District 917, we would like to extend our sincere gratitude for your generous donation of an EasyStand Stander to support our students receiving special education services.

Your thoughtful contribution will make a meaningful difference in the lives of our students by helping to support their positioning needs, promote physical well-being, and enhance their ability to participate in educational activities. Access to specialized equipment such as the EasyStand Stander allows us to better meet the unique needs of our students and provide them with opportunities to learn, grow, and succeed.

We are truly grateful for your kindness and generosity. Your support helps us continue our mission of providing a safe, inclusive, and supportive learning environment where every student has the opportunity to reach their fullest potential.

Thank you again for thinking of our students and for making a positive impact on their educational experience. Your generosity is sincerely appreciated!

With heartfelt appreciation,

Melissa Schaller, PhD
