Killeen Independent School District
Board Agenda Item Information Sheet

Date: November 10, 2026

Agenda Item Caption: Board Update - Goal 1 - Student Success

Purpose of Agenda Item: Information only

Administrative Recommendation: None; for discussion.

Background Information: This presentation is the second update on Board Priority 1, Student Success, following the initial presentation on October 6, 2026. It continues to highlight progress toward the Board's academic priorities, including efforts to strengthen Tier I instruction through targeted professional development, campus walkthroughs, and timely feedback to support consistent, high-quality instruction. The presentation builds on the beginning-of-year academic measures previously shared by providing benchmark data for the current school year compared to last year, along with STAAR Meets performance for 2026. It also includes updates on College, Career, and Military Readiness (CCMR) and graduation rates to provide the Board with a broader view of student achievement and progress toward post-secondary success.

Fiscal Analysis: None

Regulatory Requirement: None
