Background Information:

The School Library Advisory Council met on November 2, 2026. During this meeting the committee reviewed and considered the list of books to be approved for procurement:

The SLAC is recommending all the books on this Nov 2026 Ordering List for approval. District librarians compile the list of books they would like to be considered for approval by the SLAC and the school board. This list is posted on the district webpage, and the public can submit comments and concerns regarding any of the titles listed. Eight titles were removed from the list with at least one SLAC member recommending they be reviewed further prior to purchasing. The district did receive public comments on some of the titles and all were considered during the SLAC meeting.
