Re: South San Antonio ISD Donation for $5,000.00

Subject: South San Antonio ISD – Voter-Approval Tax Rate Election (VATRE) | Proposition A
South San Antonio Independent School District (South San ISD) voters will decide in November whether to approve a Voter-Approval Tax Rate Election (VATRE), known as Proposition A.

The proposal would allow the district to change how its existing property tax revenue is allocated between its Maintenance & Operations (M&O) budget and its Interest & Sinking (I&S) fund, which supports bond-related debt payments and projects.

If approved, a greater portion of the district's existing tax revenue would be directed toward Maintenance & Operations, helping fund day-to-day expenses, district operations, and services.

Importantly, the proposal is structured to change the allocation of the existing tax rate rather than increase the overall tax rate.

Lone Star National Bank has pledged **$5,000 to support voter education and get-out-the-vote efforts** throughout the South San ISD community. These efforts are intended to help inform residents about Proposition A and encourage participation in the November election. The purpose of the Donation is for Marketing (Printing Collateral Material, Mail Outs to Residents in the District, Social Media, signage).

This commitment reflects Lone Star National Bank's continued investment in the communities we serve and our support of local education and community engagement.
