Background:
This memorandum provides an overview of the Fiscal Year 2027 Small Project Maintenance Grant (SMPG) application and the projects proposed for funding. All work associated with these projects is scheduled for completion before the start of the 2027-2028 school year.

The SMPG is a state-funded matching grant program that provides reimbursement of up to $50,000 toward eligible project costs. As part of the application process, the Board of Education must formally commit to the District's share of the project costs. The District's matching funds will be provided through monthly Capital Facilities Sales Tax (CFST) revenues.

The proposed grant application includes seven projects across four District facilities. A summary of each project is provided below.

FY 27 SMPG Project Summary:
