CONSIDERATION OF THE APPROVAL OF THE TARGETED IMPROVEMENT PLAN FOR THE JUNIOR HIGH CAMPUS

Action Item:

This agenda item allows for consideration and approval of the Targeted Improvement Plan for the junior high campus. This is a requirement from the state. The Targeted Improvement Plan (TIP) is an in-depth improvement required for campuses identified as Comprehensive Support. The TIP must include an evidence-based school improvement strategy, including curriculum and instruction components of the strategy, the plan for initial training and ongoing coaching of administrators and teachers, key milestones to be met, and how resources are allocated to support plan implementation. The TIP must be board approved no later than March 2027. Mitzi Neely will present the JJHS Targeted Improvement Plan.

Superintendent's Recommendation:

I recommend the Board approve the TIP for JJHS as presented.

Suggested Motion:

I move to approve the TIP for JJHS as presented.
