Meeting Date:	November 12, 2026
From:	Jessica Franklin, Tortolita Middle School Principal
Subject:	Out-of-State Travel
Priority:	To provide rigorous, relevant, and innovative academics

Background:

I would like to request permission for Kimberly Boyle and Gary Bowden, certified staff members, up to one additional adult chaperone (to be determined), and up to 32 Tortolita Middle School students to travel to Toyon Bay, Catalina Island, California to attend the Catalina Island Marine Institute (CIMI) on March 28 - 31, 2027.

The purpose of this trip is to provide students with an immersive, hands-on science experience that directly supports Arizona science standards for middle school. The CIMI program allows students to investigate marine ecosystems, biodiversity, adaptations, human impacts on ecosystems, and the interactions between living organisms and their environment through direct observation and field-based investigation.

The experience is particularly valuable because students can observe living organisms and ecosystem interactions in their natural environment rather than relying solely on photographs, videos, or classroom models.

Recommended Motion:

I move that the Governing Board approve out-of-state travel for Kimberly Boyle and Gary Bowden, certified staff members, up to one additional adult chaperone (to be determined), and up to 32 Tortolita Middle School students to travel to Toyon Bay, Catalina Island, California to attend the Catalina Island Marine Institute on March 28 - 31, 2027.

Approved for transmittal to the Governing Board: _____
