Agenda Item No.: H.9

MARANA
UNIFIED SCHOOL DISTRICT

Governing Board Agenda Item

Meeting Date:	November 12, 2026
From:	Denise Linsalata, Assistant Superintendent
Subject:	Updated Open Enrollment Capacity
Priority:	To ensure that students are safe, known, and valued

Consent [X] Action [] Discussion []

Background:

Policy JFB – Open Enrollment requires that the Governing Board make the final determination of excess capacity at each school, by grade level and specialized program.

Because enrollment is fluid throughout the year, with some students withdrawing from the District while other students enroll, we are required to update this information at least once every twelve weeks unless there are no changes to report. Whenever information is updated, the Governing Board is required to approve the excess capacity.

The most recent review of capacity at grade levels and programs requires the following change:

- Butterfield Elementary School - change Kindergarten capacity to 40
- Gladden Farms Elementary School - change Fourth Grade capacity to available
- Marana High School - change to capacity available
- Tortolita Middle School - change to capacity available

Recommended Motion:

I move that the Governing Board approve the updated 2026-2027 open enrollment capacity for each school, by grade and program as presented.

Approved for transmittal to the Governing Board: _____
Dr. Daniel Streeter, Superintendent

Questions should be directed to: Denise Linsalata, Assistant Superintendent

* Available capacity figures that are listed above may vary for special education programs and students based on the specific special education needs of an open enrollment applicant. If the specific needs of an open enrollment applicant would require the hiring of additional District staff, open enrollment will be denied based on the fact that the District cannot serve the student with its existing staff.

** Attendance at ACE (Another Chance for Education) is limited to students (1) who have been suspended or expelled from Marana Unified School District and (2) who are permitted, in the discretion of the District and the applicable student discipline hearing officer, to have their suspension or expulsion held in abeyance during their attendance at ACE.
