Updates:

- A Title Parent Advisory meeting was held prior to the monthly PTO meeting to seek parental input to further improve RCES.
- RCES participated in two McTeacher Nights at the Olney McDonald's. One night welcomed our primary students, and the other night welcomed our intermediate students. A huge thank you to the teachers who volunteered their time to assist.
- Subs were hired for many of our new teachers to have an observation day. Jill Greenwood, the instructional coach, accompanies the teacher during the observation, pointing out key teaching practices. At the end of the day, Jill, the teacher, and Mrs. Fox sit down and talk through the observation, setting growth goals for the new teacher.
- RCES Admin hosted a pop up attendance surprise, popping popcorn and delivering it to classrooms, encouraging them all to have positive attendance. Future pop up attendance days are planned.
- Our intermediate students attended a Grassroots presentation held at OCC.
- Continued work was done on alignment of our standards, curriculum, and assessment practices. Second grade had a work day and will finalize this process for ELA and math before Christmas. First grade is working on finalizing writing and will be done by Thanksgiving.
- A first grade reading reward was hosted by Mrs. Fox and Mrs. Clark to celebrate our first graders who met their monthly reading goal.
- RCES PTO conducted a fundraiser which was completed in October. Students who sold at least 20 items were rewarded with a limo ride and ice cream.
- A group of teachers was taken to a behavioral training led by the Center for Intensive Behavioral Support.
- A group of Charleston administrators and teachers visited PALS for the day and spent time with Ms. Rusk and Mrs. Fox to learn about our PALS programming and MTSS process for behaviors. They are seeking to implement a similar program. Mrs. Fox has been speaking with them over the course of the last few months about our programming and invited them to come and visit the awesome program that Ms. Rusk leads.
- Our students with special education needs participated in a Field of Dreams event at OCC.
- Mrs. Fox presented to all teams including specialists a brief overview of the information learned at the SPARK training event attended in September. She helped all staff

understand how designations are determined and celebrated the proficiency and growth of all students and the growth gains made in closing the gap for students with IEPS.

- Parent Teacher Conferences were held at the end of October.
    - 88% of the families had an in person conference.
    - 10% of the parents had a phone conference.
    - 2% of the parents were unable to be reached. Teachers either left a voicemail or sent a Thrillshare message if at all possible.
