PRESSPlus Comments

C1. 105 ILCS 5/24-8.2(c), added by P.A. 104-795, permits, but does not require, boards to award salary advancement to teachers for the completion of continuing education. To be eligible for salary advancement, coursework completed on or after 7-1-26 must: (1) be graduate-level, degree-eligible credit offered through a regionally accredited institution of higher education and documented on an official academic transcript; and (2) include an instructor of record. Districts determine the standards for documentation, transcript verification, institutional accreditation, salary advancement, and compliance monitoring. Boards may negotiate salary advancement or other compensation-related advancements under a collective bargaining agreement for other negotiated actions or activities. **Issue 123, October 2026**
