SECTION 6 - Instruction

6:60 Curriculum Content

The curriculum shall contain instruction on subjects required by State statute or regulation as follows:

1. In kindergarten through Grade 8, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics, (f) social studies, (g) art, and (h) music. A reading opportunity of 60 minutes per day will be promoted for all students in kindergarten through grade 3 whose reading levels are one grade level or more lower than their current grade level. Daily time of at least 30 minutes (with a minimum of at least 15 consecutive minutes if divided) will be provided for supervised, unstructured, child-directed play for all students in kindergarten through grade 5. Before the completion of grade 5, students will be offered at least one unit of cursive instruction. In grades 6, 7, or 8, students must receive at least one semester of civics education in accordance with Illinois Learning Standards for social science.
2. In all schools, drug and alcohol abuse prevention education, including: (a) in each year in grades K though 4, age- and developmentally appropriate instruction, study, and discussion of effective methods for the prevention and avoidance of drugs and the dangers of opioid and substance abuse, (b) in grades 5 through 8, age- and developmentally appropriate classroom instruction on alcohol and drug use and abuse, (c) in grades 6-8, the dangers of fentanyl, and (d) in grades 7 and 8, anabolic steroid abuse prevention, which must also be taught in interscholastic athletic programs.
3. In kindergarten through grade 12, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence. In addition, anti-bias education and intergroup conflict resolution may be taught as an effective method for preventing violence and lessening tensions in schools; these prevention methods are most effective when they are respectful of individuals and their divergent viewpoints and religious beliefs, which are protected by the First Amendment to the Constitution of the United States.

4. In grades kindergarten through 8, through the 2026-2027 school year, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Superintendent or designee. The curriculum must incorporate Board policy 6:235, Access to Electronic Networks, and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response.
5. Beginning in the fall of 2027, in grades 3-8 each year, age- and developmentally appropriate instruction on online safety.
6. In all grades, students must receive developmentally appropriate opportunities to gain computer literacy skills that are embedded in the curriculum.
7. In all grades, instruction on behaviors that violate Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment.*
8. In all grades, citizenship values must be stressed, including: (a) American patriotism, (b) principles of representative government (the American Declaration of Independence, the Constitution of the United States of America and the Constitution of the State of Illinois),(c) proper use and display of the American flag, and (d) the Pledge of Allegiance.
9. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent, but at a minimum of three days per five-day week. For exemptions and substitutions, see policy 7:260, *Exemption from Physical Education*.
10. In all schools, health education must ~~be stressed, includ~~eing: [C1] (a) human ecology, health, growth, development, personal health habits, and nutrition, (b) family life, (c) prevention and control of disease, (d) age- and developmentally appropriate and evidence-informed sexual abuse and assault awareness and prevention education in all grades, (e) public health, environmental health, disaster preparedness, and safety education, (f) mental health and illness, (g) dental health, (h) cancer education, and (i) age- and developmentally appropriate consent education. The Superintendent shall implement a comprehensive health education program in accordance with State law, including an age- and developmentally appropriate consent education curriculum pursuant to 105 ILCS 5/27-1010.
11. In all schools, abduction education that addresses the danger of and avoidance of abduction.
