High School Principal Report
November 2026 Board Meeting

Monthly Projects/ Accomplishments

1. Mr. Appelhans and I were able to attend the CASE Principal Conference this past week in Colorado Springs. This was a fantastic opportunity to connect with other administrators across Colorado and attend sessions on practical topics specific to our roles.
2. Parent-Teacher conferences are this week, and we continue to work on ways to engage our students are parents.
3. Our FFA program had a fantastic National Convention with a long list of achievements they should be proud of.

- At the end of October we had two students, Mesa Arnold and Luke Larson, place at the National FFA conference in Indianapolis. Mesa earned 3rd place in her Social Science of Agriscience presentation and Luke finished 8th place in the country in his Animal Systems in Agriscience. The Conduct of Chapter Meeting (CCM) team finished in the top 12 of all teams across the country. The CCM team included Stetson Decker, Jayden Ellicott, Lucas Salmon, Nolan Winter, Jackson Wagner, Evalyn Hanson, Ellie Marshall, and Zemery Weber. An additional ten students competed at the national conference in Indianapolis. Those students were: Zach Vaughn, Hayley Walker, Cash Shelton, Hazen Weber, Taylynn Gore, Jesse Sater, Silver Cruz, and Owen Klundt.

4. We celebrated the conclusion of a successful first quarter with our honor roll. Here are the numbers for each:

	Q1	
	Superintendent's Honor Roll	Principal's Honor Roll
9th Grade	17	22
10th Grade	30	22

11th Grade	9	24
12th Grade	11	20
Total	67	88

5. Our building-wide attendance rate for the first quarter averaged 92%. Continued emphasis has been placed on the importance of consistent attendance and its direct impact on academic success.
6. This past month we had several students take the ASVAB.
7. PVHS will host its annual canned food drive from November 9th-13th. The class collecting the most canned goods will earn a celebration, and all donations will support local families in need during the holiday season.
8. FCCLA and FBLA had students volunteering at the Weld Food Bank last month. This is part of our goal to have our students exposed to more volunteer opportunities.
9. We debuted our new Platte Valley Academic letter patch with our academic awards this past month.
10. Mrs. Olvas took her Spanish class to Aims to tour their Spanish programs and offerings in post-secondary arena.
11. Our welding program took 7 students to LCCC for a competition in mid-October with Bali M. qualifying for the finals. He is the first student in our program's history to achieve that feat.

Items We are Working on or Monitoring

1. We have begun the course booklet review for all departments as we begin to build towards registration for the 27-28 school year.
2. This month I plan on attending a informational regional meeting on PWR in Fort Morgan to make sure we are up to date on this movement going forward.
3. On November 10th Mr. Appelhans and I will be attending a CHSAA small school summit to discuss issues or concerns in the state impacting these size of schools.
4. PVHS will again implement structured final exam days in December to provide consistency and balance in assessment before winter break.
5. We will be doing our second round of success skills presentation based out of our senior English and English Comp class this November before break.
