*Pursuing Excellence for All:*
*For Every Student, Every Day*

**Preschool Report**
**November 2026 Board Meeting**

## Monthly Projects/ Accomplishments/ Good News

- Conducted 1 on 1 meetings with each staff member. During our meetings we made sure staff files were complete according to State Licensing requirements as well as updated information in the online state tracking system PDIS (Professional Development Information System). We also created individual goals and professional development plans. Staff completed required training on PDIS on our Inservice day.
- Updated our Profile on the Universal Preschool site for the 2026-2027 school year. Families with currently enrolled 3-year-olds, Platte Valley families with siblings in the district and Platte Valley employees will get to apply for UPK in December.
- We hosted a Teaching Strategies GOLD training taught by Rebecca Floyd Browning from CDE. Weldon Valley preschool staff attended as well as staff from BOCES. It was very useful information specific to using GOLD to assess our students on an IEP. We also found out there will be an updated version of the Objectives for Development and Learning before next school year.
- Parent Teacher Conferences, Literacy night and Halloween parties were well attended.

## Items We are Working on or Monitoring

- Monitoring UPK billing and payment.
- Working on UPK quality standards and updating Colorado Shines rating.
- Reaching out to district families about preschool for next year and helping them fill out the on-line Universal Preschool application (opening in December)
- Adopted Grandparent program.

## Upcoming Events:

- Canned Food Drive 11/10 – 11/14
- Book Buddies 11/11 & 11/12
- Thanksgiving lunch 11/19
- Thanksgiving Break 11/24 – 11/28
- Early enrollment for UPK opens in December
