Browning Elementary November Board Report

October was a busy and exciting month at Browning Elementary School! Our students and staff participated in engaging learning opportunities, attendance celebrations, and fun fall activities that helped build a positive school culture. We continued our focus on improving literacy and math instruction through data-driven interventions, teacher collaboration, and targeted student support. We wrapped up the month with Halloween festivities, creative staff competitions, and a schoolwide costume parade that brought smiles to our students and staff. Our BES team continues to demonstrate dedication, teamwork, and a strong commitment to student success. As we move into November, we look forward to strengthening family partnerships through parent-teacher conferences and continuing our focus on academic growth. At BES, we are building a school where students feel safe, supported, and excited to learn. BES is the BEST!

Count Day was a tremendous success at Browning Elementary School! Students participated in a variety of fun and engaging activities throughout the day, making it a memorable celebration. BES continues to make positive strides in improving daily student attendance. On Count Day, 2nd grade achieved 83% attendance, while 3rd grade reached 84%. These numbers reflect a tremendous improvement compared to previous years. We are proud of this progress and remain committed to encouraging consistent attendance, celebrating student success, and building a positive school culture where students are excited to come to school each day!

During the month of October, BES students had the opportunity to participate in an exciting field trip to Sweet Pickins Pumpkin Patch, where they enjoyed a variety of fall activities and hands-on experiences. This field trip provided meaningful opportunities for students to learn outside the classroom, build relationships, and create lasting memories.

BES students, staff, and families enjoyed an evening of fun and festivities during our Lights On Afterschool Family Night. The event brought our school community together to celebrate, connect, and enjoy engaging activities. It was wonderful to see students and families participating and creating lasting memories. Events like these continue to strengthen our school-family partnerships and promote a positive, welcoming school environment.
