Browning Middle School
Board of Trustee Report
November 10, 2026
Submitted by John E Salois

Attendance:

	Grade	Student Count	Percent In Attendance
	06	138	82.23%
	07	148	77.70%
	08	138	79.45%
Total	**3**	**424**	**79.74%**

Behavior:

Assault.	2
Disorderly Conduct	45. (Skipping, defiance in class, unsafe behavior in hallway)
Drugs	1
Mutual Fight	4
Tobacco/vape	8

BMS Instructional Coach:

During October, I focused on screening new and returning students in AimsWebPlus for both math and reading to identify students requiring additional academic support. I also hosted two colleagues who shadowed me to gain insight into the daily responsibilities of instructional coaches at BMS. Despite a demanding schedule, I completed four classroom walkthroughs and myself and another instructional coach are currently working closely with one colleague to complete an instructional coaching cycle focused on strengthening instructional practices and student outcomes.

Additionally, I participated in Literacy Leadership and District Leadership Team (DLT) meetings to support school improvement initiatives. I also engaged in professional development centered on instructional strategies embedded within the Ellevation platform to enhance support for multilingual learners.

Furthermore, I am also overseeing 7th grade PE classes throughout the 1st and 2nd quarter. I have taken responsibility for ensuring these classes continue to receive consistent instruction and appropriate academic oversight. My responsibilities have included developing and completing lesson plans, creating and posting assignments in Google Classroom, monitoring student participation and progress, and maintaining grades for all classes.

EVENTS:

Attendance Incentive:
For our October BMS Attendance incentive we had 215 students with 90% or better attendance. The staff put on a Halloween carnival.

Lights on After School: BMS staff continued the carnival for all students. In addition to the fun and games the BMS Pep club also sold concessions.

1st Quarter Awards:
215 students received awards for good attendance (90-95%) great attendance (95-99%) and perfect attendance.
