BHA – School Board Report

11/3/26

1st Quarter Comes to a close

With the first quarter officially behind us, we're feeling great about the start of another school year at Buffalo Hide Academy! We've had the privilege of working with some incredible young people, building relationships, navigating challenges, celebrating successes, and having a lot of fun along the way. Our staff continues to approach this work with creativity, compassion, and a shared commitment to helping our students succeed. We're proud of the community we're building at BHA and grateful for the students, families, staff, and partners who make it all possible. We're looking forward to carrying this momentum into the rest of the school year!

BHA Counselor Dana Sure Chief

This month, we're excited to recognize our wonderful school counselor, Dana SureChief! Dana brings 12 years of experience with Browning Public Schools to her role at Buffalo Hide Academy, and she has done an incredible job adapting to the unique demands of high school counseling. She's learned a tremendous amount on the fly, approaching new challenges with flexibility, compassion, and a genuine commitment to our kids. Dana has become an invaluable part of our team, building meaningful relationships with students and providing the encouragement, guidance, and support they need to succeed. We're incredibly fortunate to have her at BHA!

Halloween Extravaganza

We celebrated Halloween in true Buffalo Hide fashion this year — with a heavy metal concert! We invited students from Browning Elementary School to join us for an afternoon of music, candy, and fun, featuring a performance by Ponoka, who brought their homegrown style of doom metal to the BHA stage. The result was quite possibly the cutest mosh pit in heavy metal history! It was a fantastic opportunity to bring students from different campuses together, share some music, and create a fun, welcoming experience for our younger visitors. We handed out plenty of candy, enjoyed some incredible music, and had an absolute blast!

Current Enrollment

Buffalo Hide Academy currently has 118 enrolled students, and we're excited to report that five of our seniors have recently completed their graduation requirements! We're proud of these students and the hard work they've put into reaching this important milestone. We've also continued to strengthen our collaboration with Browning High School, working together to support students transitioning between our two campuses. This partnership helps us better meet the individual needs of students and families while creating more opportunities for students to find success.
