Hello,

My name is Nick Koz. I run Priced to Win, a small Illinois business that shares public bid results with cleaning and landscaping contractors.

Under the Illinois Freedom of Information Act (5 ILCS 140), I'm requesting electronic copies of the following records for any (a) custodial, janitorial or building cleaning, and (b) mowing, grounds January 1, 2024:
1. The bid tabulation or proposal summary (all bidders and their prices).
2. Each bidder's bid form or price page, including the company's business contact name, email and phone.
3. The award recommendation or notice of award, and the current contract or latest renewal/extension with its price.
4. The scope pages showing building square footage and cleaning frequency or staffing; for grounds, the sites or acreage and number of mowings.

If you haven't bid one of these services since 2024, the current contract and its latest renewal or extension would be great instead. Supply-only purchases (equipment, chemicals) and construct

Whatever is easiest for your office to pull is fine, and if something is already posted online, a link works just as well. I'm also happy to talk by phone at (802) 341-0957.

This request is made for a commercial purpose under Section 2(c-10) of the Act: Priced to Win publishes Illinois public bid results for facility service contractors.

Electronic copies by email are preferred. If any fees apply, please let me know before processing. If some records are exempt, please release the rest and note what was withheld.

Thank you for your help,

Nick Koz
